Comē, ye faith - ful raise the strain  
O ho - ly Spi - rit pure and bright  
In - spire our thoughts our ac - tions too

5  
With Pen - te - cost's em - po - we - ring flame  
I - llu - mi - nate our souls with Your light  
9 That all we do may honor nor you

Let hearts and voi - ces now pro - claim  
In e - very heart dis - pel the night  
13 May Pen - ter - cost re - new and im - bue

The Spi - rit's gift a sa - cred aim  
And guide us to the path that's right  
17 Our lives with pur - pose, bold and true

From realms a bove the dove de - scends  
With fie - ry zeal and love a - blaze  
21 So come ye faith ful ga ther near

On tongues of the fire, God's power trans - cends  
Grant us the power to speak with praise,  
25 With hearts a - flame de - void of fear

In e - very lang - uage thruth ex - tends With  
To share the gos - pel's end less ways ()  
29 For Pen - te - cost's gift is e - ver clear ()

Pen - ta - cost's grace, our u - ni - ty mends.  
And serve our Loird through - out our days  
In e - very sea - son year af - ter year
